Dear [REDACTED]

Tune in Thursday at 10am to Garland Robinette's Think Tank on WVL Radio FM105.3 Thursday July 2.

Hear the Founder and former Editor-in-Chief of Nola.com on why he came forward in a sworn affidavit.

Jon Donley will talk about how, for over 2 years, he observed a cadre of about 20 user names posting abusive comments on Nola.com about any articles or people who criticized the Army Corps of Engineers.

Also joining Garland will be HJ Bosworth Jr, research director for Levees.org.

Tune in at 10am FM 105.3.

Thank you for your ongoing efforts and support.

We are winning!
